

England Masters Representative Marathon

ASDA Foundation Yorkshire Marathon

Sunday 17th October, 2021

Team Announcement

The last 18 months has been an incredibly challenging time for so many, both inside and outside of sport so I am excited about the return of the England Masters Programme this Autumn. I would like the thank all the masters athletes for their patience through a period of uncertainty and to congratulate all of the selected athletes on their achievements.

Huge congratulations to all the England Masters athletes selected to compete in the marathon and I hope you are looking forward to the race. We recently had over 220 athletes competing at Kew 10km and Richmond Half Marathon and it was a real pleasure to see everyone back together in England vests after so long.

We are excited to be back working with the team at Run for All. Tristan and his team have been great supporting us and I know will do all they can to ensure you have a great race. This year's team is made up of 104 athletes, 53 women and 51 men and we are joined by over 60 BMAF athletes.

I am delighted to have Emma Davenport, Kerry Newell, Darren Reevell and Amy Weaver-Tyler working with me as your team managers and coaches for this event. Collectively they have vast experience as team managers, coaches and tutors and we will be on hand to make your event as smooth and enjoyable as possible.
