

England Athletics Age Group Masters Representative Opportunity

3000m Masters Track Race England v Wales.

Tonypany, South Wales – 13 June 2026

England Athletics Age Group Masters are delighted to introduce this new competition to the programme. Welsh Athletics have kindly agreed to host two meetings this year as part of the Tonypany Track Classic. The first meeting is in South Wales on the 13th June and this document outlines the selection policy for the 3000m representative track race in Tonypany.

There will be two Masters races during the day which will cover the following age groups:

- England v Wales - M35, M40, M45
- England v Wales - W50, W55, W60

This opportunity will be determined by selection, not via the qualification route, and based upon the criteria laid out in this document.

To put yourself forwards for selection please read this document carefully and then complete the expression of interest form found in the link at the end of the document. For the absence of doubt selected athletes will be self-funded.

Qualification standards for England Masters 3000m team

Due to the short lead in time and as there are no current Power of 10 Masters rankings for the track, selection will be made from athletes submitting their fastest 3000m time from 1 August 2025 to 26 May 2026 (indoor or outdoor) on an expressions of interest form. Only the time noted on the expression of interest form will be taken into account. There is no minimum standard time to be attained to gain selection.

Please note there are no trophies or medals for taking part or winning the races.

Eligibility

Your expression of interest will be assessed according to your **age on the day of the race**. Please make this clear when completing the expression of interest form. Only those in the age groups listed above should submit an application.

To be considered for selection, athletes must satisfy the following:

- a) Be a registered athlete (1st or 2nd claim) in an English affiliated club
- b) England Athletics 'athlete registration' is up to date.
- c) Be in the M35, M40, M45, W50, W55, or W60+ age categories **on race day**
