Who should go on this course?

Anyone who is interested in officiating the track events, including sprints, relays and distance events.

What will I learn?

- To work as part of a team of track officials at an athletics meeting and carry out the basic duties of a track judge/umpire.
- To know the equipment you need to have with you at an athletics meeting to enable you to carry out your duties throughout the meeting.
- To understand that a track judge/umpire should record what is seen without being influenced by anyone else.
- To have a basic knowledge of track markings particularly the finishing line (how to judge the finish) and lane lines.
- To carry out the basic duties such as; judging, lap board and bell, break line, take over judge, hurdle observation, umpiring for observing running out of lane or impeding other athletes and what these involve.

Is there an assessment?

There isn't an assessment but after the course candidates need to complete at least 4 competition experiences to become licensed. **Candidates must have completed the Health & Safety course for Officials and Safeguarding in Athletics course.**

What do I do after the course?

- It is essential you complete a DBS. For guidance on this please [click here](#).
- Ensure there is a passport quality photograph added to your [myAthletics](#) profile (head shot on a white background).
- Complete a minimum of 4 experiences for Level 1.
- Complete the Level 1 Application for Accreditation.
- Send your completed Level 1 Application for Accreditation to officialsaccreditation@englandathletics.org
